Location

This easy to run windscreen repair business is currently run on a mobile basis in and around Norwich. However, this business can be relocated anywhere in the UK. Norwich and the surrounding areas have strong road and rail links with mainline trains running from the centre and by road via the A47, A11 and A140 trunk roads.

Business History

Online Business Sales are pleased to offer to the market this windscreen repair business which was established in 1979 and has been in the careful hands of our client since 2007. Since our client took over the business they have invested time and money into the business meaning that it is full walk in condition. They have added new lines and income streams which have enhanced the business massively. Our client informs us that they currently generate a highly respectable annual turnover of £112,000 which is derived from offering windscreen, side window or rear windscreen repair or replacement and all associated services. The business carries our work for over 35 insurance clients which bring constant regular work to the business. Currently the business is owner operated with 2 full time staff and our client is happy to provide training during the transition period. Our client has a strong reputation within the local community and as such has a high level of regular and repeat trade together with word of mouth recommendations. This is a superb opportunity to purchase a turnkey business
