### **Location**

This fantastic theatre costume hire business is currently located in Rossendale, Lancashire. Nearby towns include Rawtenstall, Newchurch and Bacup which are all in close proximity. ### **Business History**

Online Business Sales are pleased to offer to the market this well stocked and highly reputed theatre costume hire business which was established in 1999 and has been in the careful hands of our client since 2009. The only reason this rare opportunity is being offered to the market is due to our client's unfortunate ill health and pending retirement. Since our client took over the business he has added new lines and income streams which have enhanced the business massively. Our client informs us that the annual income currently runs at £70,000 which is derived from hiring a variety of costumes and accessories to theatres and production companies. Our client also makes costumes for hire and boasts a huge selection and comprehensive range of costumes and some props. There is massive scope to increase the product and customer range to cater for individuals, amateur dramatic groups, businesses, schools, colleges and charities. The business could offer hire costumes for events such as parties, weddings and product launches to name a few. Currently the business does not have a website; the creation of a professional website and online hire may increase income. The business has built up a strong reputation within the theatrical community and, as such, sees a high level of regular and repeat trade together with strong word of mouth recommendations. This is a tremendous opportunity to purchase a premium business with massive scope to develop further and early viewing is strongly recommended to appreciate the potential this business has to offer.
