### **Business History**

Online Business Sales are delighted to offer to the market this well established electrical contractor business which was established by our client in 2009. Only now is our client reluctantly offering this easy to run business to the market due to their desire to take well deserved retirement. The business has built up a strong reputation within the trade resulting in advanced bookings together with regular and repeat trade. Customers include Timberland stores in the Northwest and Shazam Foods. The business currently covers the North West meaning there is massive scope to increase the area covered which may be beneficial. Our client informs us that the annual income currently runs at a respectable £78,286 with a gross profit of £58,289. This is derived from providing a vast range of electrical services to both private and commercial customers: Domestic services include rewiring, installation, testing, repairs and maintenance. Commercial services include electrical planned maintenance service covering all aspects of electrical care; Factory/Warehouse/Retail services include design and build, new Installations, external lighting, alarms, security systems and emergency lighting. Offices / Shops services include fixed wiring test, PAT testing, rapid response and emergency call out 24/7 and insurance work including managing claim processing. Hotel services include design and build, new installations, periodic inspection reporting, PAT testing, landlords' certificates, alarms, security systems and emergency lighting and repair and maintenance. There is scope to increase the workforce with qualified staff and expand the commercial customer base resulting in additional business and may increase income. Currently the business is owner operated with 2 full time members of staff and our client has offered would be happy to continue to work for the business if required. Benefitting from a professional website, this is a fantastic opportunity to purchase an established business that can be run from home anywhere in the UK and as such early viewing is strongly recommended as businesses of this calibre rarely stray on the market for long.
