### **Location**

This popular mobile catering business currently operates from a small business park just outside the quaint country village of Berkeley Heath. However a new owner could relocate to different premises if desired. The current premises offer excellent road links to several towns across the South-West of England such as Yate, Chippenham and Weston-Super-Mare. These transport links are crucial to the business as it currently sees trade in these areas amongst others.

### **Business History**

Online Business Sales are pleased to offer to the market this successful hog roast business which has been owned by our client for over 9 years. Only now is the business being reluctantly offered to the market due to our clients desire to take a well-earned retirement. Under our clients stewardship, the business has continually been improved and developed was established our and our client has invested time and money into the business, establishing new income streams and growing the client base, ensuring that the business is in full walk in condition.

Our client informs us that the annual turnover currently runs at around £50,000 with scope to improve. This is derived from offering a range of catering solutions including hog roast machine hire only, machine hire with meat such as pork, lamb or turkey, and a full catering service. The business also offers a vegetarian catering service by request. Our client advises that with the current business equipment, groups of up to 1200 people can be catered for.

Our client has worked to ensure that under their ownership, the business has a fantastic reputation, which is reflected by the multiple 5 star reviews online. As well as this, the business consistently receives new custom and advance bookings for catering services. The business is currently owner operated with the assistance of part time staff for larger events. Our client also advises that they would be willing to offer a training/handover period to a new owner if required. The business also benefits from a professional website which provides fantastic marketing for the business, as well as social media pages with a good sized following with further expand the business outreach. There is huge scope for a new owner to further promote the business either online or through local advertising campaigns. This could lead to a good increase in revenue and further increase trade for the business. There is also scope to update the current online footprint of the business to offer an online booking option. A new owner could also look to expand the trading area currently covered by the business.

This is a fantastic opportunity to purchase a established business which is a great base to build upon or ideal as a bolt-on to an existing business and as such early interest is highly recommended.
